The TRUE Learning Partnership (TTLP) recognises the important role that our schools and their staff have in the wider safeguarding system for children. ALL staff have a responsibility to provide a safe environment in which children can learn. TTLP fully adopts statutory guidance “Keeping Children Safe in Education” (September 2023).

## Keeping Children Safe 2023

The TRUE Learning Partnership is committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers and visitors to share this commitment. Our schools are a safe place for children, where our responsibilities for safeguarding children are taken seriously. As a Trust, we are responsible for ensuring that all our schools have thorough and robust child protection and safeguarding policies and procedures.

Should you have safeguarding concerns regarding any pupil at any of our schools, please speak to one of the Designated Safeguarding Leads at that school. Full details of key contacts for safeguarding in each of our schools is listed below.

TTLP’s Designated Safeguarding Officer is Catherine Holyland, Deputy Head Teacher at Poynton High School. If you wish to contact her directly please e mail [Cholyland@truelearning.org.uk](mailto:Cholyland@truelearning.org.uk)

Our schools’ Local Governing Bodies are regularly updated about child protection, bullying and safeguarding policies and practices by the relevant school Head Teachers, and other members of the Senior Leadership Team. This information is reported to the Trust Board.

Safeguarding Statement	The school recognises its moral and statutory responsibility to safeguard and promote the welfare of all pupils and staff. We endeavour to provide a safe and welcoming environment where children and adults are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice. Child protection forms part of the school's safeguarding responsibilities.	Staff in Lostock Hall Primary School take the safeguarding of each and every child very seriously. This means that, should they have any concerns of a safeguarding nature, they are expected to report, record and take the necessary steps to ensure that the child is safe and protected. This is never an easy action, nor one taken lightly. They are aware that it can lead to challenge from parents/carers, but at all times staff have the child at the heart of all their decisions and act in their best interests.
