Under data protection law, individuals have a right to be informed about how The TRUE Learning Partnership (TTLP) uses any personal data that we hold about them. We comply with this right by providing privacy notices to individuals where we are processing their personal data. Privacy notices explain how we collect, store and use personal data about pupils, staff, parents, governors, trustees, volunteers and visitors. All schools within The TRUE Learning Partnership are responsible for publishing relevant privacy notices on their individual websites.
